Vladiſlaus rex Vng. & Bohem.
15
Anna vxor Ferdinandi Imp.
16
Maximilianus II. Imp. Rex Bohem.
17
Anna vxor Philippi II.
18
PHILIPPVS III.

LECTORI

LECTORI SCIOPPIVS S.

QVONIAM *minime ignota eſt plerorumq; vanitas, qui Stemmata adornare & Genealogias digerere ſolent dum ferè quicquid vel ipſi commenti ſunt, vel ab obſcuris nulliuſqs nec nominis nec fidei auctoribus acceperunt, modò gratiam à Principibus ineant, ceterum quæ grauium & intelligentium virorum de ipſis futura ſit exiſtimatio, parum penſi habentes, chartis illinere non dubitant: propterea faciundum mihi videtur, vt eorum, quæ aliter, quam vulgo perſuaſum eſt, in recenſenda maiorum Catholici Regis ſerie collocauimus, auctoritates edamus, aut digitum ſaltem illuc intendamus, vnde explorata hauriri veritas poſſit.*

Primum Stemma luculentiſſimis Hiſtoricorum veterumqs monumentorum documentis comprobatum inuenies in Franciſci Guilimanni *doctiſſimi & accuratiſſimi antiquitatum inueſtigatoris libro, quem* Habsburgiaca ſiue de vera & antiqua origine domus Auſtriæ *inſcriptum Mediolani anno* 1605. *edidit, quem cum legeris Lazium, Eizingerum, Arnoldum Vionum alioſque id genus nugones cum ſomniis & commentis ſuis ſtatim, ſcio, faceſſere procul iubebis.*

In ſecundo Stemmate nihil eſt, quod non conſentaneum ſit iis, quæ rerum Hiſpanicarum Scriptores quatuor voluminibus comprehenſi & à Vuechelianis editi ſcriptum reliquerunt, niſi quod Alfonſi Catholici filios, nepotes ac fratris poſteros ita digeſſi, quemadmodum auctor eſt Sebaſtianus Salmaticenſis Epiſcopus, qui ætati eorum ſuppar fuit, adeoq; multo

multo plus, quàm poſteriores, fidei meretur.

In tertio Aragonum Reges & Comites ita diſpoſui, quemadmodum grauiſſimus & politiſſimus ſcriptor Hieronymus Blanca Cæſarauguſtanus auctoritate tabularum vetuſtiſſimarum faciendum demonſtrauit.

In quarto Vaſæi & Marianæ aliorumq; Hiſtoricorum induſtria mihi ſatisfieri paſſus ſum, niſi quod illius Hiſpanorum Alcidæ, Roderici Viuarij Cidi, filiam Ramiro Nauarræ Regi nuptam Chriſtianam *vocaui, quam ceteri* Eluiram, *& ſororem eius* Solem, *Sanctio Aragonio nuptam dicunt, quod contra Franciſcus Didacus Dominicanæ familiæ Theologus, qui regni Valentini Annales condidit, & anno* 1613. *edidit, luculente probat, Cidi filiabus alteri Chriſtianæ, alteri Mariæ nomen, & illam quidem Ramiro Nauarro, hanc autem Roderico Berengario tertio Barcinonenſium Comiti matrimonio iunctam fuiſſe.*

Quinti Stemmatis veritatem Duardus Nonius Luſitanus, vir doctiſſimus, nemini non facilem probauerit.

In ſexto Caroli Magni maiores Sigeberti auctoritatem ſecutus recenſui. Capetinos & Burgundos à S. Arnolpho tamquam Carlingorum conſanguineos deduxi ijs argumentis & auctoritatibus permotus, quæ partim Guillimannus affert, partim Alfonſus Delbenius Epiſcopus Albienſis, qui de origine Hugonis Capeti, de regno Burgundiæ Transiuranæ & Arelatis, de Principatu Sabaudiæ, deq; gente ac familia Marchionum Gothiæ & S. Aegidij libellis Lugduni non ita pridem editis accuratiſſime diſputauit.

In ſeptimo Conradi Salici maiores eos poſui quos Guillimannus eo, quo dixi, libro nominat, qui etiam proprio, ac ſeparato libello Genealogiam eius Imperatoris expediuit.

In

In ſeptimo [illegible] *Philippi Sueui Imperatoris filiam Beatricem Ferdinandi Sancti Caſtellæ Regis vxorem facio. Id verum eſſe Princeps Hiſtoriographus Hieronymus Surita in Aragonicis Annalibus, tum Ioannes Mariana, poſtremo Conſaluus Illeſcas in hiſtoria Pontificia præſtiterit. Germanos* [illegible]*, qui aliter ſcripſere, hoc in errorem induxit, quod* [illegible] *Philippo filias fuiſſe neſcierunt, de quibus in Chronico Auſtrali Matthæi Bappenheimij anno* 1217. *diſertim legimus:* Philippus quondam Romanorum Rex habuit quatuor filias, quarum vnam duxit Rex Caſtiliæ & Hiſpaniæ, alteram Rex Bohemiæ, tertiam Otto Romanorum Rex, quartam Dux Brabantiæ.

In nono peruulgata ſunt omnia, præterquod Hugonis Capeti ſororem Friderico Lotharingo nuptam, ex eaq; Itam Habſpurgenſium genitricem natam dixi. Ea de re Guillimannus mihi fidem fecit, quemadmodum etiam de decimo Stemmate, quod magnam partem ab Alfonſo Delbenio confirmatur.

De Angliæ, Vngariæ, Poloniæ & Bohemiæ Regibus nihil poſuiſſe videor, quin id ab earum nationum Hiſtoricis magno conſenſu tradatur. Sicubi tamen alucinatum me comperero (id quod feſtinanti vſu veniſſe mirum non eſt) non committam, vt mea culpa in errore maneas diutius. Vale.

Ego Don Auguſtinus Valerius C. R. Theologus Congregationis Somaſchæ, & Conſultor S. Officij Papiæ de mandato Admodum Reuer. Patris Vicarij eiuſd. S. Officij diligenter hoc perlegi Stemma, & typis dignum iudico, & approbo.

Imprimatur

Fr. Iacobus Prior, & Vic. Inquiſ. Papiæ.
